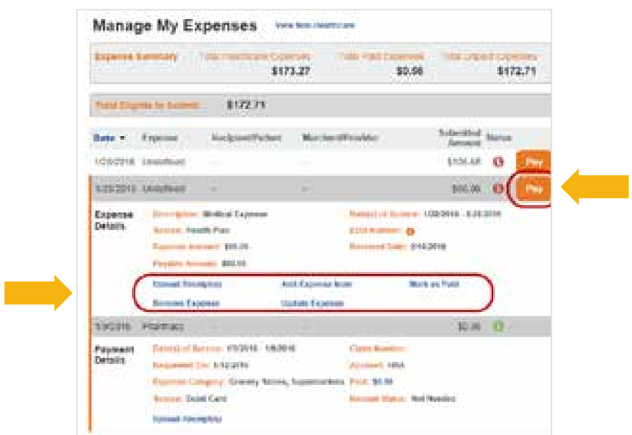
Easily manage your claims

Great news! Need to get reimbursed for eligible out-of-pocket expenses? It's now easier than ever. Insurance claims from your employer-sponsored plan(s) will be uploaded to your personal account for you to view and manage.

How does it work?

1. After your insurance carrier processes your claim, they'll send an electronic copy of the claim to Optum.
2. Optum will automatically upload the claim to your account. To view your expenses, log into your account and click **Manage My Expenses.**



3. If you've already paid for an eligible expense with your payment card, select **Mark as Paid** then, **Link to Existing Paid Expense**.
4. To request a payment from your account for eligible expenses click **Pay** and complete the requested information.
5. Based on your account settings, you'll receive your reimbursement by check or direct deposit. **IMPORTANT:** Do not request reimbursement for expenses you've already paid with your payment card.
