

# Health Payment Solutions for Payers

## Captured savings and reduced costs

The comprehensive Health Payment Solutions from Optum® provide everything you need for a smooth transition to electronic claims settlement, including:

- Over 1.2 million enrolled providers in our EFT network — immediately available so you can quickly achieve savings
- An integrated system that combines banking functions with claims payments and remittance
- Provider enrollment through promotional and adoption activities, eliminating the need to manage, service or maintain the payments network
- A provider portal for claims payment review, query, download and remittance advice printing
- Proven experience implementing efficient and enduring payment solutions
- Electronic payment for 100 percent of claims when VCP and EFT are used in combination, thereby eliminating costs associated with traditional paper checks and EOBs

**45–70%**  
Reduction in administrative costs on day one<sup>1</sup>

## Driving efficiency and savings with a national, diversified network

### State presence

With a broad and diverse network, we can drive savings across the care continuum. Our network practitioners include:

- Physicians
- Medical specialists (e.g., oncologists, pediatric cardiologists)
- Osteopaths
- Laboratory services
- Dentists
- Nurse practitioners
- Physical therapists
